Subject: Resignation - Marjean Shea 8-8-06

City of Las Vegas
Dr. Barbara Jackson, Director
Parks & Recreation Advisory Commission

I am writing this letter with a very sad heart. I regret that I have to resign my position on "The Board" due to my illness. It has been a fun and wonderful experience for the last 10 years.

I still hope that if I am having a good day, I can drop in on one of your meetings.

Most Sincerely,
Marjean Shea
